

Der Fuehrer's Face

Lyrics to "Der Fuehrer's Face"

This song was without a doubt Disney's most popular wartime accomplishment. After the short was produced, the song was picked up and made even more popular by Spike Jones and his City Slickers. For those who have never heard the song, the "phhht" should be delivered with as loud and as juicy a raspberry as possible.

When der Fuehrer says, "We ist der master race"
We HEIL! (phhht!) HEIL! (phhht!) Right in der Fuehrer's face

Not to love Der Fuehrer is a great disgrace
So we HEIL! (phhht!) HEIL! (phhht!) Right in der Fuehrer's face
When Herr Gobbels says, "We own der world und space"

We HEIL! (phhht!) HEIL! (phhht!) Right in Herr Goring's face
When Herr Goring says they'll never bomb this place
We HEIL! (phhht!) HEIL! (phhht!) Right in Herr Goring's face

Are we not the supermen
Aryan pure supermen
Ja we ist der supermen
Super-duper supermen.

Ist this Nutzi land not good?
Would you leave it if you could?

Ja this Nutzi land is good!
Vee would leave it if we could

We bring the world to order
Heil Hitler's new world order
Everyone of foreign race will love der Fuehrer's face
When we bring to der world disorder

When der Fuehrer says, "We ist der master race"

We HEIL! (phhht!) HEIL! (phhht!) Right in der Fuehrer's face

When Der Fuehren says, "We ist der master race"

Synopsis

- A German "oom-pah" band parades through town extolling the "virtues" of the Fuehrer with the title song. They

waken Donald Duck who has to go to work in a Nazi munitions factory, much to his regret. Luckily in the end, after a frantic workday trying to alternate between making bombs and saluting Hitler, he finds that it has all been a nightmare and that he is still living the the good old U.S.A.

Because of its extreme use of Nazi symbolism and ethnic stereotypes, this short has never been released officially on video and probably never will be.
